**GAMETES: THE BUILDING BLOCKS OF LIFE**

Hamilton Thorne, Fujifilm Irvine Scientific, and TMRW are pleased to announce our GAMETES GAMETES GAMETES Workshop to be held at Aloft Dallas Downtown Hotel in Dallas, TX, on February 20th & 21st. The free 2-day workshop will include both Educational Lectures and Hands-On Workshop sessions.

The workshop will focus on the human egg and sperm, the building blocks of life. Anticipated topics include (subject to change):

- Sperm and Egg Function – DNA
- Andrology Tools: Efficient Sperm Processing
- To Freeze or Not to Freeze: Best Practices in Testicular Aspiration and Sperm Cryopreservation
- Egg Freezing for Dummies
- Freeze What Matters
- Equipment Implementation in the Lab – Validation and Training
- Oocyte: The Human Egg
- Oosight: Looking In
- Hatch. Getting the Embryo Out of a Hardened Zona
